PUBLIC NOTICE

NOTICE TO CONSTRUCTION CONTRACTORS, LABOR UNIONS, AND PRIVATE INDIVIDUALS

The Commonwealth of the Northern Mariana Islands (CNMI) Government intends to solicit no-cost labor assistance from the Department of War's Innovative Readiness Training (IRT) Program through the Naval Mobile Construction Battalion 133 (NMCB-133). The assistance will include little to no-cost minor repairs to existing facilities under the purview of the CNMI Public School System (PSS) throughout the island of Saipan.

Construction contractors, labor unions, or private individuals who have questions or who wish to voice their support or opposition to military assistance for this project may contact Mr. Ed Camacho, Special Assistant to the Governor for Military Affairs, at (670) 488-0220 no later than 30 days after the first publication of this notice. Persons not filing comments within the time frame noted will be considered to have waived their objections to military assistance for this project. The CNMI appreciates this timely assistance from our military partners, especially considering the austere economic situation hampering infrastructure progress throughout the islands.
